WORK EXPERIENCE

Rogers School Community Center Organization (ROSCCO)

October 2023 - May 2024

Middle School Activity Leader

ROSCCO is a nonprofit organization based in Stamford, Connecticut. It was founded in 1975 with the purpose of partnering with schools and community agencies to provide vocational and enrichment programs to the community.

- Oversaw and supervised children during their participation in various programs and activities, ensuring their well-being and safety at all times
- Provided support and guidance to children as they engage in educational and recreational activities
- Served as a resource for staff members, providing assistance with organizing materials

Mayor's Youth Employment Program (MYEP)

June 2023 - July 2023

UConn Stamford Admissions Office Intern

Mayor's Youth Employment Program is a city internship program for high school students with 140 hours of paid work and 30 hours of work readiness classes with workplace safety, interview & resume skills building, presentations, and financial literacy.

- Created engaging presentations, projects, and games to educate prospective students about UConn's admission process
- Elevated operational efficiency in the admission office by optimizing access and streamlining processes
- Improved professional phone etiquette and voicemail proficiency to connect with incoming UConn students

EXTRACURRICULAR & VOLUNTEER ACTIVITIES

UConn Stamford Muslim Student Association (MSA)

August 2024 - Present

Digital Media Coordinator

The Muslim Students Association at UConn Stamford aims to create a supportive space for both Muslim and non-Muslim students to discuss and learn about Islam.

- Creating instagram posts promoting MSA Events
- _____
